NovemBEER: This year is 100% Maris Otter for fermentables. Toasting / Smoking etc. is permitted and non-fermentables are wide open. David Scuffham is organizing the event. As of Oct. 10th, he still has grain available. Entry is \$15. Leftover grain is available at \$20 per 12lbs. Tentative date is December 3rd. Yes, we're aware that's not in November, but it's looking like a good way to tie in a Holiday party.

Beer Education: None. We're starting to run a little thin on topics, so start thinking up new stuff to talk about. With the new BJCP guidelines, we'd like to take volunteers to do some styles. Or anything else remotely related to brewing.

Treasurer;s Report: no update

Attendance: 11

MONTHLY BEER

EDUCATION

(Everyone who wants to can participate!!!)

THE PRESENTER: You can sign-up (*see open months below*) for either a **beer style** and present it with commercial versions and one you may have made **or** bring in some **interesting/unique beers** we may not have ever had, or it's been awhile. *The main idea behind this education is to continue learning about beers.* Remember, you have a budget of \$20 on the purchase of commercial beers that the club will reimburse you for.

THE REST OF US: We have the option to participate by also brewing a batch of the beer style being presented and bring it along...or sit back and free-load off of other people's efforts!!!
